Abandoned Well Sealing Application Cass County Soil Conservation District

District Program
Application

Cass County Soil Conservation District 1665 43rd St. S Suite 103 Fargo, ND 58103-3319

- 1. The well sealing program is available to any land owner within Cass County who wishes to seal water wells that are no longer functional.
- 2. The Progrm will be guided with technical assistance provided by the Natural Resources Conservation Service (NRCS) and with financial assistance from the Cass County SCD.
- 3. Financial assistance will be provided at a rate of 75% of producer's approved costs up to \$800.00. The remainder will be borne by the cooperator.
- 4. In order to be eligible for this cost share program, Cass County SCD must have approved the application and design, and completed an inspection BOTH PRIOR TO AND AFTER THE WELL IS SEALED. A picture of the site will be required prior to and after sealing.
- 5. When you have completed this page, please bring it or mail it to us at the above address, or fax it to: 282-9203, Attn: Cass SCD. We will then inspect the well and offer recommendations for sealing it.
