CASS COUNTY SOIL CONSERVATION DISTRICT 701.282.2157

1665 43rd Street S Ste. 103
Fargo ND 58103
Phone: (701) 282- 2157 extension 3
Fax: (701) 282-9203
Website: www.cassscd.org

Financial: Awards will be made in amounts up to $500.00. Grant is based on a 60% cost share for supplies of proposed project.

Total Estimated Cost of Project: (Include every cost associated with project including labor and materials.)

Expenditure	Cost
Total	

Grant Award:
Monies awarded through the grant will be dispersed following the completion of the project. Valid documentation of purchases will need to be provided.

After submission of your application, you will receive a confirmation email of our receipt of your application. If a cost-share grant has been awarded, we will follow up with a cost- share contract and site visit. Once this contract and site visit process has been completed, we will begin to provide technical assistance to help guide you in the planning of your project. Although we provide multiple avenues of assistance; procurement of materials, installation, labor and maintenance work including all liabilities are the responsibility of the customer. Funded practices should be installed within the growing window and should be maintained for at least five years. If the practice(s) is/are removed prior to 5 years, the customer is responsible for cost-share repayment according to the amount of the pro-rated scale (1% pay back per each month under the 5 year commitment).

If your application is not funded, Cass County Soil Conservation District still offers free technical assistance for these and other conservation practices to all residents of Cass County, North Dakota.

Submit application: drop off at office, mail, or email: jeffrey.d.miller@nd.nacdnet.net
