Due to the perishable nature of live plants, variability in planting conditions and care by customer: Cass County SCD has NO GUARANTEE for survival and growth of any species. We do our best to provide you with a quality tree from the time we receive it from the nursery until you pick up at our Mapleton Shop. **Shop/cooler address**: 16528 42nd St SE Mapleton, ND. Take Exit 340, then 5 miles south on 165th Ave, then turn left on 42nd St.

The District is not responsible for tree orders that haven't been picked up on pick-up date. It is customer's responsiblity to contact District if you need a different date, but keeping in mind that the cooler needs to be shut down by a certain date. After cooler shutdown, the trees are discarded. We do our best to notify customers of pick-up dates.
